***Pegy Buckley-Rizzuto -Premier Event Group:***

"I wanted to take a moment to let you know what a wonderful time I had preparing for this event. You and your staff at The Clubhouse are fabulous. No matter what problems arose, the staff handled them with ease. From our presenters going overtime, to a pregnant woman needing something to eat mid-program, the staff wasn't shaken. I knew that I could turn to anyone of the wait staff for help. The kitchen did an amazing job with dinner. We were over an hour late starting the buffet but all I heard were positive comments about the food. Your venue is truly one of my MOST favorite places."
